Planning Application Reference Number: SD22B/0059

Applicant: Simon Brady & Rachel Swan

Description of Development: Construction of extension to dwellinghouse & associated works

Location: 11 Cedar Avenue Kingswood Heights Dublin 24

Dear Sir/Madam,

In reference to the above planning application I wish to make the following observation / submission in relation to the proposed development.

Following viewing the proposed plans my observations are based on the points outlined below:

- o The site notice erected could be more visible as it erected in the front garden enclosed in garden hedging
- o Height of extension is exceeding height of other bungalow houses in the avenue.
- o As the house is not an end of row house the extension is notably out of character with the other bungalow houses in the area and ignores local design.
- o The frontage of the houses is not symmetrical/out of scale in line with the other bungalow houses on the avenue.

I trust my concerns will be taken into consideration on the basis of the above prior to a decision being reached on this planning application.

Thank you and Regards,
Roma Ruddy
