DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2016 - 2022 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. Permission.
 - (a) This permission is for a temporary period of 2 years from date of final grant.
 - (b) All conditions of parent permissions granted under Reg. Refs. SD19A/0342 and SD16A/0345, to which this application will have the effect of creating modifications to, shall apply, save as may be required by the other conditions attached hereto.
REASON: To ensure integration with the existing planning permission and to specify the date on which the permission shall expire and clarify the conditions attached to the development.
3. Drainage - Irish Water.
 - (a) All development shall be carried out in compliance with Irish Water Standards codes and practices.
 - (b) All works for this development shall comply with the requirements of the Greater Dublin Regional Code of Practice for Drainage Works.
REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage

provision.

4. Environmental Health.

(1) Noise due to the normal operation of the proposed development during the night time period, expressed as Laeq over 15 minutes at the facade in a noise sensitive location, shall not exceed 45dB(A) as per the EIA under scenario A and A1. All mitigation measures detailed in the EIAR must be utilised to ensure the cumulative noise does not exceed 46.2dB(A) as per the EIA under scenario A and A1 at the nearest noise sensitive locations.

(2) The applicant shall put in place management procedures and a maintenance program for the external plant. All mechanical plant items such as motors, pumps, generators etc shall be regularly maintained to ensure that excessive noise generated by any worn or rattling components is minimised.

(3) The development shall be so operated that there will be no emissions of malodours, gas, dust, fumes or other deleterious materials, on site as would give reasonable cause for annoyance to any person in any residence, adjoining premises or public place in the vicinity.

REASON: In the interests of public health, the proper planning and sustainable development of the area.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014 the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
