RE Planning Application for Domestic Garage at Raheen, Brittas, Co. Dublin.

Dear Sirs,

We are applying for planning permission to construct an additional domestic garage to the rear of our existing dwelling at Raheen, Brittas, Co Dublin. For the past number of years, I have been involved with the restoration and maintenance of my collection of vintage cars, my existing garage, approved under planning application SD06B/0853 is inadequate in size in serving my hobby and a number of the cars are getting damaged due to being out in the elements. Please also see a letter from the 'Irish Jaguar and Daimler Club' supporting my application.

Yours sincerely,

A handwritten signature in black ink that reads "James Tracey". The signature is written in a cursive, flowing style.
