

Key Plan:

NOTES:

1. All dimensions are in millimeters unless otherwise stated.
2. All dimensions are to the centerline of walls unless otherwise stated.
3. All dimensions are to the centerline of columns unless otherwise stated.
4. All dimensions are to the centerline of doors unless otherwise stated.
5. All dimensions are to the centerline of windows unless otherwise stated.
6. All dimensions are to the centerline of stairs unless otherwise stated.
7. All dimensions are to the centerline of ramps unless otherwise stated.
8. All dimensions are to the centerline of lifts unless otherwise stated.
9. All dimensions are to the centerline of balconies unless otherwise stated.
10. All dimensions are to the centerline of terraces unless otherwise stated.
11. All dimensions are to the centerline of roofs unless otherwise stated.
12. All dimensions are to the centerline of floors unless otherwise stated.
13. All dimensions are to the centerline of ceilings unless otherwise stated.
14. All dimensions are to the centerline of foundations unless otherwise stated.
15. All dimensions are to the centerline of basements unless otherwise stated.
16. All dimensions are to the centerline of sub-basements unless otherwise stated.
17. All dimensions are to the centerline of parking areas unless otherwise stated.
18. All dimensions are to the centerline of ramps unless otherwise stated.
19. All dimensions are to the centerline of stairs unless otherwise stated.
20. All dimensions are to the centerline of lifts unless otherwise stated.

Note:  
Electrical room access to be coordinated with electrical design.
