

Key Plan:

- 1. All dimensions are in millimeters unless otherwise stated.
- 2. All dimensions are to the centerline of walls unless otherwise stated.
- 3. All dimensions are to the centerline of columns unless otherwise stated.
- 4. All dimensions are to the centerline of doors unless otherwise stated.
- 5. All dimensions are to the centerline of windows unless otherwise stated.
- 6. All dimensions are to the centerline of stairs unless otherwise stated.
- 7. All dimensions are to the centerline of ramps unless otherwise stated.
- 8. All dimensions are to the centerline of lifts unless otherwise stated.
- 9. All dimensions are to the centerline of balconies unless otherwise stated.
- 10. All dimensions are to the centerline of terraces unless otherwise stated.
- 11. All dimensions are to the centerline of pergolas unless otherwise stated.
- 12. All dimensions are to the centerline of canopies unless otherwise stated.
- 13. All dimensions are to the centerline of awnings unless otherwise stated.
- 14. All dimensions are to the centerline of screens unless otherwise stated.
- 15. All dimensions are to the centerline of louvers unless otherwise stated.
- 16. All dimensions are to the centerline of shutters unless otherwise stated.
- 17. All dimensions are to the centerline of blinds unless otherwise stated.
- 18. All dimensions are to the centerline of curtains unless otherwise stated.
- 19. All dimensions are to the centerline of drapes unless otherwise stated.
- 20. All dimensions are to the centerline of valances unless otherwise stated.

Note:
 Electrical room access to be coordinated with electrical design.
