**DECISION TO:** Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

**FIRST SCHEDULE**

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2016 - 2022 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

**SECOND SCHEDULE**

**Conditions and Reasons:**

1. Development in accordance with submitted plans and details.  
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.  
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. Restrictions on Family Flat.
  - (a) The use of the family flat shall be restricted to a residential use only, directly associated with the use of the existing house on the site for such purposes and the family flat shall not be subdivided or separated from the main house. In particular, it shall not be sold, leased or let (including short-term letting) independently of the main house.
  - (b) The family flat extension shall revert to use as part of the main house when the development is no longer required for use as a family flat.REASON: To ensure that the family flat does not operate as an independent dwelling unit or for any commercial purpose, in the interest of residential amenity and the proper planning and sustainable development of the area.
3. (a) External Finishes.  
All external finishes shall harmonise in colour or texture that is complementary to the house or its context.  
REASON: In the interest of visual amenity.  
  
(b) Restriction on Use.  
The house and the proposed extension shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes,

and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.

REASON: To prevent unauthorised development.

(c) Drainage - Irish Water.

(i) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.

(ii) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have a minimum thickness surround of 150mm Concrete Class B.

(iii) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

#### 4. Rear Extension Roof

The flat roof of the rear extension shall not be used as a terrace or balcony without prior grant of permission. Under this permission, the roof shall function entirely as designed, as a green roof, and not for any other purposes.

REASON: To protect the privacy and amenity of neighbouring dwellings.

#### 5. Drainage.

Prior to commencement of development, the applicant shall submit a revised drainage layout drawing for written approval to the Planning Authority showing plan and cross-sectional views, dimensions, and location of proposed soakaways such that the following criteria is fully complied with:

Soakaways are located:

(i) at least 5m from any building, public sewer, road boundary or structure.

(ii) Generally, not within 3m of the boundary of the adjoining property.

(iii) Not in such a position that the ground below foundations is likely to be adversely affected.

(iv) 10m from any sewage treatment percolation area and from any watercourse / floodplain.

Note: The revised drainage layout drawing shall show the inclusion of water butts as part of additional SuDS (Sustainable Drainage Systems) for the development.

REASON: in the interests of proper drainage.

#### 6. Environmental Health

(a) The use of machinery, plant, or equipment (which includes pneumatic drills, generators and the movement on and off the site of construction vehicles) is NOT PERMITTED outside the following hours

- Before 07.00 hours on weekdays, Monday to Friday
- Before 09.00 hours on Saturdays.
- After 19.00 hours on weekdays, Monday to Friday.
- After 13.00 hours on Saturdays.

- Not permitted at any time on Sundays, Bank Holidays or Public Holidays.
  - (b) During the operational phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances.
  - (c) The proposed wastewater treatment systems shall be located, installed and operated in accordance with the details submitted to the Planning Authority on 11/02/2022 and in accordance with the requirements of the Code of Practice on Wastewater Treatment and Disposal Systems serving Single Houses issued by Environmental Protection Agency 2009.
  - (d) A maintenance contract for the lifetime of the treatment system shall be entered into with the suppliers of the wastewater treatment system or with an appropriate maintenance firm. Documentary evidence of an on-going maintenance agreement shall be submitted to the Planning Authority within 4 weeks of the installation of the wastewater treatment system.
  - (e) Within three months of the first occupation of the house, the developer shall submit a report from a suitably qualified person with professional indemnity insurance certifying that the wastewater treatment system has been installed and commissioned in accordance with the approved details and is working in a satisfactory manner, and that the polishing filter and/or percolation area is constructed in accordance with the requirements of the Code of Practice on Wastewater Treatment and Disposal Systems serving Single Houses issued by Environmental Protection Agency 2009.
  - (f) The existing septic tank shall be decommissioned, emptied and made safe.
- REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

7. Boundary Treatment.

Prior to the commencement of development, the applicant/owner shall submit the following for the written agreement of the Planning Authority:

A plan showing full details and specifications of site boundary treatment that accords with Development Plan policy and the requirements of the Council's Parks and Landscape Services Section. The plan shall ensure the protection of mature vegetation along site boundaries and will provide mitigation/protection measures where relevant.

REASON: In the interest of visual amenity and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

8. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €3,526.54 (three thousand five hundred and twenty six euros and fifty four cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contributions under the Scheme shall be payable prior to commencement of development or as otherwise agreed in writing by the Council. Contributions due in respect of permission for retention will become payable immediately on issue of the final grant of permission. Contributions shall be payable at the index adjusted rate pertaining to the year in which implementation of the planning permission is commenced.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing [customerservice@water.ie](mailto:customerservice@water.ie).

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The requirements of the HSE Environmental Health Officer shall be ascertained prior to the commencement of development in the interest of public health.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014 the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
