Re: Planning Application – Unit J5-J8, Greenogue Business Park, Grants Road, Rathcoole, D24 EW68

To whom it concerns,

Please find enclosed a planning application on behalf of our clients for the installation of photovoltaic solar panels to the roof of their existing premises.

The proposed installation is part of the firms continuing efforts to reduce their carbon footprint and continue their increased efforts to make their energy needs as sustainable as possible.

Should the Planning Authority consider it necessary we can prepare and submit a Glint/Hlare assessment prior to commencement in the event of a grant of permission.

We trust that you will find everything needed to make a decision on the application included in this submission. Should you have any queries please contact me on 086 8458698 or at mfrain@bda.ie

Yours Sincerely,

A handwritten signature in black ink, appearing to read "M Frain", written over a horizontal line.
