PLANNING APPLICATIONS

SOUTH DUBLIN COUNTY COUNCIL: Permission sought by Claran Ahern, Chairperson Board of Management, Ballyroan Boys National School, Ballyroan Road, Dublin 16, for a first floor extension on the existing flat roofs between the GP room and Classroom Block on the north/east side, over the Shelter on the south side and over the Utility areas on the west side. The proposal is to accommodate a new Staff Room, Staff Toilets and 4no. Resource Rooms and will link at first floor level, the main classroom block on the east side to the classroom block on the west side of the campus. This application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of South Dublin County Council during its public opening hours of 9am - 4pm, Mon-Fri, and a submission or observation may be made to South Dublin County Council in writing and on payment of the prescribed fee of €100 within the period of 5 weeks starting on the date of receipt by South Dublin County Council of the application.

SITUATIONS VACANT

TALENT OPERATIONS AND SYSTEMS SPECIALIST Reporting To: Talent Director Role A high performance Talent team requires an experienced Operations and Systems Specialist. Employer: A&L Goodbody. Hours: 36 - 40 hours p/w. Location: Dublin, Ireland. Annual Remuneration: €45,000 - €50,000 Description: This Talent team comprises three singular and connected divisions: Talent Management and Recruitment, Development, and Graduate Recruitment. Reporting to the Talent Director, this role will work across the disparate workstreams of each division with the objective of delivering an ongoing combined cohesive organisational plan which aligns with development of the firm's broader Talent strategy. The candidate will be required to support the three divisions with project management expertise and implementation, systems integration, business analysis and delivering best practice on reporting and metrics. Responsibilities will include but not be limited to: Workstream Tracking System. Identification and implementation of ongoing process efficiencies and re-engineering opportunities, in terms of user experience, quality and productivity of workstream tracking system and process documentation. Integrate, implement and train staff on new systems introduced and upgraded features to ensure continuity of information flow between the divisions including customisation of dashboard and reporting format, user assistance and configuration of the system. Support 365. Design and management of a Talent Sharepoint 365 site delivering a communication platform between Talent Management and Recruitment, Development and Graduate Recruitment. Updating and maintaining all data bases. Robust document security within the site. Ongoing workstream management. Liaise with the three Talent divisions and others as necessary such as the finance department and IT systems specialists, to assist with the design, development and implementation of workstream reports. Workstream report generation and analysis. Communication of the results of data analysis in written and verbal form to the Talent Director and other nominated parties. Background and experience. Experience in data analytics and management reporting. Relevant experience in workstream tracking systems and implementation preferably in a professional services environment. Skilled at leading and delivering projects and balancing project management with operational demand. Candidates can apply to: careers@algoodbody.com
