Dear Sirs,

Please find enclosed documentation detailing a proposal for a first floor extension on the existing flat roofs between the GP room and Classroom Block on the north/east side, over the Shelter on the south side and over the Utility areas on the west side. The proposal is to accommodate a new Staff Room, Staff Toilets and 4no. Resource Rooms and will link, at first floor level, the main classroom block on the east side to the classroom block on the west side of the campus.

On behalf of my client Ciarán Ahern, Chairperson of the Board of Management, Ballyroan Boys National School, Ballyroan Road, Dublin 16, I wish to apply for Planning Permission for this proposal.

The Site Notice for this application is provided on yellow paper as a previous validated Planning Application, SD21A/0332 which was lodged on 9th December 2021, has been withdrawn.

Please note that, in my opinion, this planning application is exempt from planning charges as the school is owned by a Religious Organization and is used for Social, Recreational and Educational purposes without any profit or gain to the school.

If you have any query on the enclosures, please contact me.

Yours faithfully,

LOUIS BURKE
