## Observation details

### 5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

The application for yet more houses and apartments (655 total) in Boherboy raises the following concerns :

- a) Opening up through roads from Carrigmore Green. I am suspecting this will also include through road via Carrigmore Avenue. Even so, this will add a significant volume of traffic through estates. Surely this new proposed site should have its own access point and no access via Carrigmore and Corbally estates?
- b) More developments planned in Citywest yet no plans to include additional secondary schools in the area.
- c) My understanding this development will be on a flood plain. If so, this is extremely reckless for site and surrounding areas.
