DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. The proposed development, by reason of the introduction of a new vehicular access that would be situated on a bend in the road, would result in an increase in traffic movements and associated traffic hazard at this location. Furthermore, due to the proximity of the development to the neighboring National School, it is considered that the proposed development would result in the creation of an unacceptable traffic hazard to cyclists and pedestrians. Accordingly, it is considered that the proposal would contravene TM7 Objective 3 of the South Dublin County Council Development Plan 2016 – 2022: ‘To ensure that car parking does not detract from the comfort and safety of pedestrians and cyclists or the attractiveness of the landscape’ and would be contrary to the proper planning and sustainable development of the area.
2. Due to insufficient information submitted regarding requirements for Surface Water Drainage the Planning Authority is not satisfied that the proposed development would not be prejudicial to public health.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
