

- Site Boundary
- Open Space tree planting
- Specimen tree planting
- Street tree planting
- Tree grille
- Hedge planting
Detail D 02 Drawing LD-01-T5
- Shrub planting
- Grass
- Mounding and proposed levels
- Amenity area for ball playing / active recreation
- Road surface to Engineers Detail
- Homezone red chip SMA - 40mm thick
- Tar and chip spur between footpath and road
- 200x100x60mm Brick paving to car parking,
Charcoal body with a silver trim
laid in a herringbone pattern
- Pathways brushed concrete with precast concrete kerb
refer to Detail 02, dwg. LD-05-PP
- Cyclepath
refer to engineers drawings for details
- Grasscrete
- 200x100x60mm Brick paving to entrance pathways,
Charcoal body with a silver trim
laid in a herringbone pattern
- Resin bound path
refer to Detail 01, dwg. LD-05-PP
- Bench seat,
refer to Detail D1 01 & 02, dwg. LD-04-PP
- Bike stands, refer to Detail 03, dwg. LD-03-PP
- Light standard position with
6.5m radius clearance shown;
refer to supporting lighting engineer drawings
- Where trees are in close proximity
to lighting columns, columnar trees will be used
- Grass swales,
see drawing LD-07-PP
- Bio retention tree pits
drawings LD-06-PP
Final location subject to agreement with service providers
- Bat boxes, pole-mounted
(Zno Schwegler 3F and
Zno3F or equivalent)
- Outdoor Table tennis
- Proposed tiger mull surface
to play and gym areas
- Proposed outdoor equipment
ref to drawings PG-01-PP to
PG-03-PP for details
- Informal play elements, such as
boulders of various sizes and
tree trunks
