Report Date: 27/05/22

The scale and complexity of the works proposed in this development is greater than the thresholds stipulated and as a result, is classed as a Tier 2 Project as detailed in the *Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for C&D Projects (2021)*. Therefore, prior to the commencement of development, the developer or any agent acting on its behalf shall prepare a bespoke Construction and Demolition Resource Waste Management Plan (RWMP) including demonstration of proposals to adhere to best practice and protocols.

The RWMP shall:

- include specific proposals as to how the RWMP will be measured and monitored for effectiveness.
- follow the requirements set out in Sections 4 & 5 and meeting the minimum content requirements set out in Appendix C of *Best Practice Guidelines for the Preparation of Resource and Waste Management Plans for C&D Projects (2021)*
- be submitted to the planning authority for written agreement prior to the commencement of development.

All records (including for waste and all resources) pursuant to the agreed RWMP shall be made available for inspection at the site office at all times.
