1. No part of this drawing may be reproduced or transmitted in any form or stored in any retrieval system without the written permission of Irish Water as copyright holder except as agreed for use on the project for which this document was originally issued.

2. Whilst every care has been taken in its compilation, Irish Water gives this information as to the position of its underground network as a general guide only on the strict understanding that it is based on the best available information provided by each local authority in Ireland and Irish Water. Irish Water can assume no responsibility for any errors or omissions. The information should not be relied upon in the event of excavations or up to date nature of the information provided and does not access any liability whatsoever arising from any errors or omissions. The onus is on the parties carrying out excavations to ensure the exact location of the Irish Water underground network is identified prior to excavations or any other works being carried out. Service connection pipes are not generally shown but their presence should be anticipated.
