Plan 2016 - 2022 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. Hours of Operation.
The doctor's practice hereby granted permission shall only operate between the hours of 8am and 7pm Monday to Saturday. The facility shall not operate outside these hours without the prior written agreement of the Planning Authority.
REASON: To maintain effective control on the development.
3. Cycle Parking.
Prior to the commencement of development, the applicant shall submit a revised layout not less than 1:100 scale showing bicycle parking and pedestrian routes within the development. The applicant should refer to Table 11.22: Minimum Bicycle Parking Rates- SDCC County Development Plan 2016-2022. Any cycle parking should be designed with regard to the potential impacts on the adjacent Protected Structure. All external bicycle parking spaces shall be covered.
REASON: In the interests of sustainable transport.
4. Storage of Clinical Waste.
Prior to the occupation of the unit, the applicant/developer/owner shall submit details of a suitable location for the storage of clinical waste to the Planning Authority.
REASON: To provide for the appropriate management of waste.
5. Irish Water Connection Agreement.
Prior to the commencement of development the applicant or developer shall enter into water and/or wastewater connection agreement(s) with Irish Water.
REASON: In the interest of public health and to ensure adequate water/wastewater facilities.
6. Drainage.
 - (a) All works for this development shall comply with the requirements of the Greater Dublin Regional Code of Practice for Drainage Works.
 - (b) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use.
 - (c) All development shall be carried out in compliance with Irish Water Standards codes and practices.REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

7. Restrictions on Signage.

Notwithstanding the provisions of the Planning and Development Regulations 2001, or any statutory provision amending or replacing them, no further advertisement signs (including any signs installed to be visible through windows), advertisement structures, banners, canopies, flags, or other projecting elements shall be displayed or erected on the development or within the curtilage of the site, unless authorised by a grant of planning permission.

REASON: To protect the visual amenities of the area and in the interest of the proper planning and sustainable development of the area.

8. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €4,641.72 (four thousand six hundred and forty one euros and seventy two cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contributions under the Scheme shall be payable prior to commencement of development or as otherwise agreed in writing by the Council. Contributions due in respect of permission for retention will become payable immediately on issue of the final grant of permission. Contributions shall be payable at the index adjusted rate pertaining to the year in which implementation of the planning permission is commenced.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing customerservice@water.ie.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The requirements of the HSE Environmental Health Officer shall be ascertained prior to the commencement of development in the interest of public health.

NOTE: Waste, arising from the site, must be kept to a minimum, segregated where appropriate, and disposed in accordance with the Waste Management Regulations 2007, as amended. Transport of such waste, must be by an authorised waste permit holder. Waste disposal records must be maintained and made available, for inspection by Authorised Persons appointed under the Waste Management Act 1996, as amended. A Waste Transfer Form shall accompany the transportation of all hazardous waste arising from the construction works.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR.
