Re: The development will consist of a single storey side extension (24.6m) and associated site works.

A Chara,

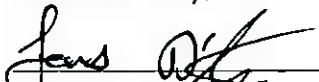

On behalf of my client Dan Hegerty, 3 Airpark Court, Rathfarnham, Dublin 16, we wish to apply for Planning Permission in respect of the above.

Planning Permission is sought for the construction of a modest side extension.

In respect of the Application we enclose a copy of the Planning Application form and schedule of documents that outlines the details attached herewith.

We look forward to a favourable decision of the Application in due course.

Yours sincerely,

James D'Arcy
