I bought in the estate 2006, it was a cul de sac. I want it to stay that way. Children have always played safely because of this. There's no play grounds near by. We already have too many cars when parents are dropping children into the crèche on the estate. A number of older neighbourhoods have recently had the same thing happening, opening up their estate to new buildings, and have complained of anti social behaviour. Glebe estate is beautiful, safe and quiet and why should it not remain that way. I strongly object to the proposed planning to use Glebe estate for access
