Hi Colm.

As per Barry's email below, the Delivery Planning Team has no objection to the proposed signage at the BOC Gases Ireland Site under Reg. Ref. SD22A/0139. Kind regards, Siobhán Duff

Hi Siobhan,

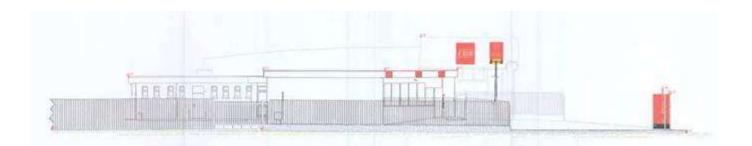

Application due for SD22A/0139 at BOC Gasses Ireland Site in John F Kennedy Industrial Estate for the: Removal of an existing totem signage pole and installation of a new three-sided, 3.34 metre tall, partially internally illuminated totem sign. Five non-illuminated new fascia signs on the south elevation of Unit 10 and all associated works.

I don't see any major impact on this application in relation to the overall City Edge Strategic Framework and have no objection.

Let me know what you think.

Kind Regards

Barry C
