I bought this house in this private estate because of the design being all roads within the estate are cul de sacs. This proposal completely alters the design and structure of the estate and creates increased traffic, removes safe areas for children playing parking bays for residents would also be lost as they do not driveways or front gardens. The Newcastle area is now teeming with houses no play or leisure areas, poor transport links and over crowded primary school. I am incensed at this proposal which not only carries health and safety issue but will devalue our properties increase the traffic and is totally unacceptable.
