| Decision Order No. | 0856 | Date of Decision | 06-Jul-2022 |
| Register Reference | SD21A/0315 | Date | 09-Jun-2022 |

Applicant: Desmond Perkins

Development: 2 storey detached dwelling on site to side of existing detached dwelling incorporating new vehicular entrance to front garden to off street car parking; all associated site works.

Location: 22, Killakee Green, Dublin 24

Time extension(s) up to and including:

Additional Information Requested/Received: 21-Jan-2022/09-Jun-2022

Clarification of Additional Information Requested/Received:

DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. In the further information submission the applicant has made substantial changes to the proposed development including changes that were not specified by the Planning Authority when requesting additional information which would require readvertisement including raising the ridge height and widening the front of the site. Such a raise in the ridge height would be visually out of character with the surrounding dwellings. Thus the proposed development would seriously injure the amenities of property in the vicinity, contravene the zoning objective 'to protect and/or improve residential amenity (in the South Dublin County Development Plan 2016 - 2022) and would contravene the proper planning and sustainable development of the area.

2. a) It is unknown who carried out the percolation test and when and in what location was the percolation test carried out. The percolation test report submitted does not comment on the results of percolation in terms of pass or fail in respect of the requirements of the BRE Digest 365 Standards.
- b) The connection of overflow surface water pipe to adjacent property is not acceptable and such an overflow should connect to the public surface water network.
- c) No water drainage plans and no foul drainage plans were submitted as further information.

Having regard to the above, the Planning Authority is not satisfied that the proposed development would not be prejudicial to public health.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
