Re: PLANNING REGISTRATION NO: SD21A/0022

Dear Sir/Madam,

I write with regard to the above planning application by Cairn Homes Properties Ltd. for the construction of a housing development of up to 4 storeys in height. Located: Within the Townlands of Cappagh, Clonburris Little & Kishoge, Co. Dublin.

Following consultations with our Air Corps colleagues at Casement Aerodrome, The Department of Defence would like to make the following observations:

- Given the proximity to Casement Aerodrome, operation of cranes should be coordinated with Air Corps Air Traffic Services, no later than 28 days before use, contactable at airspaceandobstacles@defenceforces.ie or 01-4037681
- Due to the proximity to Casement Aerodrome, the developer should implement adequate bird control measures during the construction phase to mitigate the effects of birds on Air Corps flight operations.
- Given the proximity to Casement Aerodrome this area may be subject to a high level of noise from aircraft operating in the vicinity of the aerodrome.
- Given the proximity of the development to Casement Aerodrome, should negative effects become apparent on air or ATC operations as a result of the photovoltaic cells, then the owner must take measures necessary to mitigate these effects to an acceptable level, without delay.

Please contact me if you have any queries in this regard.

Yours faithfully,

Sent via e-mail
