

I would like to object to this application on the grounds that we have just started a young family and feel that the estate we bought our house would not be the same. It currently is a safe and lovely area for kids to play in and opening it up to another estate will drastically effect all the residents of the Glebe estate. There is no benefit to this happening as it will just be a rat race and short cut for traffic to use. When I bought into this estate I assumed it was a private and established estate that I pay a fee for to live in, if this proposal goes ahead this will affect myself and my young family and go against the reasons we bought the house for.
