DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION FOR RETENTION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2016 - 2022 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development shall be retained fully in accordance with plans, particulars and specifications lodged with the application, save as may be required by other conditions attached hereto.
REASON: To ensure that the development is in accordance with the permission and that effective control is maintained.
2. Sustainable Urban Drainage Systems (SuDS)
Within 6 months of a final grant of permission being issued, the applicant shall submit for the written agreement of the Planning Authority proposals for SuDS at the site. Sample SuDs devices include soakaways, green roofs, water butts, tree pits, rain gardens, filter strips and permeable paving amongst others. The applicant is referred to the recently published SDCC SuDS Design Guide for further information and guidance. If a soakaway is proposed, the soakaway design shall be certified to BRE Digest 365 standard by a suitably qualified person carrying professional indemnity insurance and shall include documented evidence of infiltration test results to demonstrate that the soakaway complies with the requirements of BRE Digest 365. Soakaway plans shall provide for a soakaway to be located within the curtilage of the property and this shall be:
 - (i) at least 5m from any buildings, public sewers or structures and not in such a position that the ground below foundations is likely to be adversely affected.
 - (ii) at least 5m from the nearest road boundary and not within 3m of the boundary of the adjoining site.
 - (iii) a minimum of 10m from any sewage treatment percolation area.
 - (iv) at least 10m from any stream / river / flood plain.In addition only rainwater shall be discharged to soakaways.
REASON: In the interests of public health, safety, the proper planning and sustainable development of the area and in order to ensure adequate and appropriate surface water drainage provision.
3. Elevations
The applicant has not provided elevations of the shed or rear extension from all sides. The applicant shall submit elevations of all 4 sides of the shed, and a northwestern elevation of the rear extension, within 6 months of a final grant of permission being issued.
REASON: To ensure that the development is in accordance with the permission and that effective control is maintained.

4. Restrictions on Use.

The use of the shed shall be for purposes ancillary to the enjoyment of the dwelling house and shall not be used for habitation or as a dwelling and shall not have a toilet or bathroom and shall not be sub-divided from the existing house, either by way of sale or letting (including short-term) or otherwise.

REASON: In the interests of proper planning and sustainable development of the area.

5. (a) External Finishes.

All external finishes shall harmonise in colour or texture that is complementary to the house or its context.

REASON: In the interest of visual amenity.

(b) Restriction on Use.

The house and the proposed extension shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes, and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.

REASON: To prevent unauthorised development.

(c) Drainage - Irish Water.

(i) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.

(ii) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have a minimum thickness surround of 150mm Concrete Class B.

(iii) All drainage works for this development shall comply fully with the Greater Dublin Regional Code of Practice for Drainage Works.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

(d) Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in the South Dublin County Council Development Plan.

(e) Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall only be operated on the site between 7.00 hours and 19.00 hours weekdays and between 9.00 hours and 13.00 hours on Saturdays. No works shall take place at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

6. Financial Contributions.

The developer shall pay to the Planning Authority a financial contribution of €6,478.38 (six thousand four hundred and seventy eight euros and thirty eight cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Act 2000 (as amended). This contribution is to be paid on receipt of Final Grant of Permission.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.
