DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. The proposed rear first floor rear extension, by reason of its overbearing nature and depth, would result in a significant and material loss of light and over shadowing to the single storey units to the west and create an unacceptable sense of enclosure to the occupants of the attached property to the east. An almost identical proposal was refused permission under SD21B/0208.

Thus, the proposed development would seriously injure the amenity of property in the vicinity and would be contrary to the guidance in the South Dublin County Council – House Extension Design Guide, the zoning objective for the area which seeks 'to protect/and or improve residential amenity' and would therefore be contrary to the South Dublin County Council Development Plan 2016 - 2022 and the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
