

Date: 21-July-2022

Register Reference: SD22A/0264
Development: The installation of a 3.25 vent stack servicing the existing underground natural gas pressure reduction installation with all ancillary services and associated site works.
Location: Lands at Foxborough Hall, Newlands Road, Lucan, Co. Dublin
Applicant: Gas Network Ireland
App. Type: Permission
Planning Officer: EVAN WALSH
Date Received: 02-Jun-2022
Decision Due Date: 27-Jul-2022

The proposal is **acceptable** to Environmental Health subject to the following conditions set out below.

1. Clearly audible and impulsive tones at noise sensitive locations during evening and night shall be avoided irrespective of noise level.
2. The development shall be so operated that there will be no emissions of malodours, dust, fumes or other deleterious materials, no noise or vibration on site as would give reasonable cause for annoyance to any person in any nearby property or public area.

Fiona Byrne
Senior Environmental Health Officer
