**Development:**

Retention for 2 bay portal frame, additional floor area to existing industrial unit. Permission for roofing of 2 bay portal frame structure; extension to existing industrial unit; construction of a concrete resurfaced area in main yard; minor internal layout and elevational revisions to existing industrial unit and all associated site works including underground surface water attenuation and related utilities and works.

**Location :**

Heiton Steel, Ashfield, Naas Road, Clondalkin, Dublin

**IW Recommendation:** **No Objection**

**IW Observations:**

Irish Water requests that any grant of permission will be conditioned as follows:

1. The applicant shall sign a connection agreement with Irish Water prior to the commencement of the development and adhere to the standards and conditions set out in that agreement.
2. All development shall be carried out in compliance with Irish Water Standards codes and practices.
3. Any proposals by the applicant to divert or build over existing water or wastewater services shall be submitted to Irish Water for written approval prior to works commencing.
4. Separation distances between the existing Irish Water assets and proposed structures, other services, trees, etc. have to be in accordance with the Irish Water Codes of Practice and Standard Details.

Reason: To ensure adequate provision of water and wastewater facilities.

Signed on Behalf of Irish Water: **Maria O'Dwyer**

Date: **Friday 22 July 2022**
