**Information Requested/Received:**

**DECISION:** Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

**REASON(S)**

1. The proposed dwellings, by reason of their design, scale and proximity to the northern site boundary with the immediate neighbour to the north, would be overbearing and visually dominant when viewed from the rear garden of the immediate neighbour to the north and lead to unacceptable levels of overlooking into this neighbouring rear garden. Accordingly, the proposed development is considered to contravene Section 11.3.2 (ii) Corner/Side Garden Sites of the South Dublin County Development Plan 2016-2022 and the zoning objective for the area which seeks 'to protect/and or improve residential amenity'), would seriously injure the amenity of

property in the vicinity and would contravene the proper planning and sustainable development of the area.

2. The addition of two more vehicular access points in close proximity to existing vehicular access points along Newlands Park would lead to an intensification of traffic accessing and egressing within a relatively short distance, which may endanger public safety by reason of a traffic hazard. Insufficient information has been submitted in relation to visibility splays to the satisfaction of SDCC's Roads Department. The proposed development would not accord with the proper planning and sustainable development of the area.
3. Having regard to the lack of information submitted in relation to Surface Water Drainage, the Planning Authority is not satisfied, on the basis of the information submitted, that the proposed development would not be prejudicial to public health and is not consistent with the County Development Plan and the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
