RE: Planning application for: (1) the construction of two new single storey prefabricated buildings incorporating 4 No. temporary classrooms with en-suite toilet facilities and to include all associated site works and drainage works; (2) the installation of a 12 panel photovoltaic array to the roof of the existing school building.

Dear Sirs,

On behalf of the Board of Management I am writing in support of the above planning application.

The application arises from an urgent need to redistribute our existing pupil enrollment to more suitable teaching accommodation and will not result in an increase in onsite parking requirements or an increase in general footfall.

We would appreciate your early and favorable decision on the application.

Yours Faithfully

Conor Reilly
