DECISION TO: Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT**

PERMISSION for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

FIRST SCHEDULE

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development Plan 2022 - 2028 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

SECOND SCHEDULE

Conditions and Reasons:

1. Development in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety fully in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission and that effective control be maintained.
2. Signage
Prior to the commencement of development, the applicant shall submit final details of the freestanding sign, confirming materials and design, for the written agreement of the Planning Authority.
REASON: In the interests of visual amenity and to ensure compliance with SDCC signage policies and objectives.
3. Signage Illumination
The level of illumination of the lighting for the signs shall be reviewable at any time by the Roads Department in the interests of traffic safety, and adjustments shall be made by the applicant at their own expense if required to do so by South Dublin County Council.
REASON: In the interests of traffic safety
4. Restrictions on Signage.
Notwithstanding the provisions of the Planning and Development Regulations 2001, or any statutory provision amending or replacing them, no further advertisement signs (including any signs installed to be visible through windows), advertisement structures, banners, canopies, flags, or other projecting elements shall be displayed or erected on the development or within the curtilage of the site, unless authorised by a grant of planning permission.
REASON: To protect the visual amenities of the area and in the interest of the proper planning and sustainable development of the area.
5. Water
Prior to the commencement of development the applicant shall:
(a) Submit a drawing showing the setback distance from proposed structures to existing watermains traversing site. The setback distance from proposed structure to existing watermains shall comply with Irish Water Standards.
OR

(b) Obtain a confirmation of feasibility letter from Irish Water for proposed development.

REASON: To protect Irish Water infrastructure at the site

6. Foul

Prior to the commencement of development the applicant shall:

(a) Submit a drawing showing the setback distance from proposed structures to existing foul sewers adjacent to site and proposed structures.

OR

(b) Obtain a confirmation of feasibility letter from Irish Water for proposed development.

REASON: To protect Irish Water infrastructure at the site

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014 the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
