## ARIES March 21 - April 21

Your home and family chart is fully powered up and if you decide to talk again, you should get the reaction you want from those who matter most. As Venus links passion and fashion, a hot new partner designs or sells unusual clothes. The Aries luck factor links to a building with new doors.

## TAURUS April 22 - May 21

The presence of action planet Mars in your sign transforms you. Instead of resisting change, you welcome it - although you might have to choose quick between signing up for a serious study course and making more money right now. Single? Your next partner has a job that requires courage and caring.

## GEMINI May 22 - June 21

The sun heats up your financials chart and you understand a set of figures that were holding back a big decision. Love-wise, Venus in your values chart helps you strip away the make-believe. When you and a partner see each other as you really are, exciting progress comes. Luck visits a book shop twice.

## CANCER June 22 - July 23

You might not see yourself as a boss but others can see your talents - and your name could soon be one to watch. The extra money is useful but better still is seeing your ideas put into action. Mars complicates your love life when a voice from the past returns... just as you are getting used to someone new.

## LEO July 24 - August 23

Your chart's psychic sector is powered by Venus and the sun. Love words you may have wanted to hear could now be spoken. If you are unsure whether it is friendship or love, share an Italian-style meal tonight to find out. Your working life might seem too routine but give it your all and it can be transformed.

## VIRGO August 24 - September 23

Jupiter and the moon link up powerfully in your chart. So instead of having to choose between a fun love and one that is sexy, you could find both in one relationship, probably with a Taurus. At work there is a sense of togetherness when new goals are set. Luck reunites workmates from the past.

## LIBRA September 24 - October 23

You are the zodiac sign that falls in love most easily - but who also gets bored too quickly. However, this time it could turn into love that is happy-ever-after. You have the strength of Mars in the soulmate section of your chart and the luck you thought only other people enjoyed can now be yours.

## SCORPIO October 24 - November 22

Your ability to read and understand others' thoughts can be a key factor when you have choices to make. This can apply to relationships but could also take work plans off in a new direction. Venus in your chart of faraway places sees cash luck on the horizon for the family with an Australian connection.

## SAGITTARIUS November 23 - December 22

Positive thinking is good but when you follow it with positive action, you achieve much more. A favour from a former job is repaid in a generous but unusual way. When a friend tells you who is keen to date you, your first reaction is laughter. But later, you see this could become the real love deal...

## CAPRICORN December 23 - January 20

As the sun directs the part of your chart linked to doing deals, your cool approach impresses people and shows how well you have checked the facts. Venus travels across your opposite sign, drawing you to someone unlike anyone you met before. Already involved? You discover a partner's surprising side.

## AQUARIUS January 21 - February 19

Words are your winner and writing a match report or music review could launch an additional earning stream. So do not be deterred by the family's scepticism. Let your success prove them wrong! If you are in a couple, working together on a project could make you more dynamic as a duo.

## PISCES February 20 - March 20

The sun heats up the luckiest part of your chart, leaving you ready to chase all kinds of prizes. Venus in your heart zone can accelerate a relationship. A friend you have missed gets in touch with sizzling ideas for the two of you to work on, perhaps linked to a building project. Luck calls at door 12.

# GOLF REBEL EXODUS

By **DAVID FACEY**

**CAMERON SMITH** will put a £125million LIV offer on the back burner - so he can chase a potential £15m PGA payday.

The Open champion told friends he would not join the rebel tour before September, as he wants to play in next month's three FedEx Cup play-offs, in Memphis, Delaware and Atlanta.

Smith's St Andrews win hoisted him to second place on the FedEx standings, behind world No1 Scottie Scheffler, and also took him to second in the world rankings.

The mullet-headed Aussie knows LIV's interest is not going to cool if he chases the £15million jackpot that awaits the Tour Championship winner on August 28.

Smith, 28, will only miss one of LIV's six remaining events this year if he stays loyal to the golfing establishment until the end of next month.

The LIV schedule continues with a visit to Donald Trump's Bedminster course in New Jersey from July 29-31, but there is a break after that until their fourth event takes place in Boston from September 2-4.

No one close to Smith doubts that he will sign up eventually, especially as LIV frontman Greg Norman is a friend and mentor.

Norman could not conceal his delight as Smith shot a sensational final-round 64 at St Andrews to push joint third-round leader Rory McIlroy into third place, with rookie Cameron Young, 25, finishing runner-up.

Golf's Great White Shark, a double Open champion himself, tweeted: "Aussie Aussie Aussie, Oi Oi Oi! A spectacular final round mate. A triumph for

## Porter in the dock after Retallick hit

**ANDREW PORTER** has been cited after an incident during Ireland's historic victory over New Zealand in Wellington.

Porter was yellow-carded by referee Wayne Barnes following a high tackle on All Blacks lock Brodie Retallick in the series-clinching win.

But match citing commissioner James Sherriff has now reported Porter, who faces a disciplinary hearing via video link on

Tuesday. Retallick suffered a fractured cheekbone and will be sidelined for at least six weeks.

World Rugby said: "Andrew Porter will attend an independent disciplinary hearing after having been cited for an act of foul play contrary to Law 9.13 (a player must not tackle an opponent early, late or dangerously) during Ireland's Test match against New Zealand on July 16."

## WAIT OF WORLD

**NEW ZEALAND** defeated Ireland by 31 runs in their opening T20 international in Belfast.

The wait goes on for a first Ireland win over the Blackcaps after they just missed out when they agonisingly lost the final ODI by one run in Malahide last week.

After a shaky start, New Zealand's Glenn Phillips steadied the ship with unbeaten innings of 69 off 52 before Lockie Ferguson ended Ireland hopes.
