Dear Sir / Madam,

We, Capami Ltd., give consent for Planning Permission for development at this site, 35 DodderBrook Rise, Dublin 24, D24 NYP9. Part of the development includes provision for a recycling bin enclosure utilizing one designated car parking space to the creche, similar to what is present in neighbouring sites.

We are currently in final stages of providing Tiger Time Limited 'taking in charge' of the seven car parking spaces as highlighted by our architect GWA Architects Drawings Site Location Map PA-001 attached.

Should you have any questions or queries please do not hesitate to contact me,

Yours sincerely,

Signed:
