Dear Natalie

Re: Proposed two new school buildings on site at Coláiste Chillian and New Nangor Road, Clondalkin, Dublin 22 – Grant of Consent to lodge an application for planning permission

I refer to recent correspondence requesting the consent of the Council to lodge a planning application in respect of lands in Council ownership.

I wish to confirm that South Dublin County Council hereby grants its consent to Newenham Mulligan & Associates (on behalf of Coláiste Chillian), to include lands in Council ownership as outlined in red on Indicative Drawing No. FOR 76/414, for lodgement of a planning application for the purposes outlined above.

Please note that this consent does not convey to Newenham Mulligan & Associates (on behalf of Coláiste Chillian) any interest whatsoever in the Council owned lands and is for the sole purpose of allowing a planning application to be made.

The consent is conditional on no development taking place until full planning permission has been granted and the Council is in a position to enter into an appropriate agreement with the Applicants in respect of the lands, and in tandem with completion and regularisation of title and boundaries of the overall school development site.

Yours sincerely
