Application Type: Permission

Planning Officer:

The development consists of the Extension, change of use and alteration to Kilnamanagh Shopping centre. A two storey extension is proposed along with change of use of first floor of the centre to a health centre and gym. Surrounding residential properties will need to be protected from noise from the gym during the operational phase of the development. The Environmental Health Office in SCDD has experience in dealing with noise complaints from the use of gymnasiums in mixed use developments. Therefore, measures must be put in place to protect existing residential properties in the area.

Decision:

Additional information is required for the Environmental Health Department to adequately access this application. The additional information required is.

1. An assessment for the potential for noise nuisance from the operational use of the gym.

2. Proposals to negate noise nuisance from the operational use of the gym must be submitted to ensure compliance with BS 8233 Guidelines for Sound Insulation and Noise Reduction for Buildings.
