Re: 110kV Gas Insulated Switchgear (GIS) Substation compound and 110kV transmission lines along with associated and ancillary works.  
Within Profile Park Business Park and partly within Grange Castle Business Park, Dublin 22.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above mentioned case.

It is the Board's objective to ensure that applications are determined within a period of 18 weeks beginning on the last date for making objections, observations or submissions.

It appears to the Board that it would not be possible to determine the above matter within the period of 18 weeks (i.e. by 17th August, 2022) because of the need for further consideration of the case.

The Board intends to determine the application for appropriate assessment before 19th October, 2022. The Board will take all such steps as are open to it to ensure that the matter is determined before that date.

If you have any queries in relation to the matter please contact the undersigned officer of the Board. Please quote the above-mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Niamh Thornton  
Executive Officer
