Clarification of Additional Information Requested/Received:

DECISION: Pursuant to the Planning and Development Act 2000 (as amended), dated as above a decision to **REFUSE PERMISSION** is hereby made for the said development for the reason(s) set out on the Schedule hereto.

REASON(S)

1. It is considered that the Applicant has provided insufficient information in relation to the proposed soakaway, namely the lack of soil percolation test results or plan or cross-sectional drawings showing the design details. In the absence of accurate and sufficient information, the Planning Authority considers that the applicant has not substantially demonstrated that the proposed development adheres to the BRE Digest 365 Standards. The proposed development would therefore be contrary to the proper planning and development of the area.

2. It is considered that the proposed 6.19m wide shared vehicular entrance would be excessive, out of character for the streetscape and by virtue of the width would represent a traffic and pedestrian safety hazard. The Development would therefore be contrary to Section 12.7.6 of the South Dublin County Development Plan 2022-2028 and would therefore be contrary to the proper planning and sustainable development of the area.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001 (as amended). Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001 (as amended), have been considered in the determination of this application.
