To whom it may concern,

I am writing regarding Planning permission application SD22A/0340 submitted by Vantage Towers Ltd. To Erect a 24m telecommunications lattice structure together with antennas, dishes, headframe and associated telecommunications equipment enclosed by security fencing.

Please find attached receipt no Receipt No. : T4/0/717536 for payment of 20€ to the finance department

I object to the granting permission of this application based on:

1. Such structure is not within appropriate proximity to school, creche, local church, pub, residential, commercial units. Children will be affected and all residents in surrounding areas to continuous 24/7 365 days RF radiation exposure.
2. This structure will be visually obstructive to beautiful rural village of Newcastle being built in the middle of this historical village, next to primary school, in very close proximity to residential houses, creche, school, pub, church, commercial units
3. Concern, that this mast will devalue the cost of our housing.

Yours sincerely,
