**Location:** 6, Boden Villas, Taylors Lane, Ballyboden, Dublin 16

**Floor Area:**

**Time extension(s) up to and including:**

**Additional Information Requested/Received:** 29-Mar-2022 /17-Aug-2022

**Clarification of Additional Information Requested/Received:**

**DECISION TO:** Pursuant to the Planning & Development Act 2000 (as amended), it is hereby decided, for the reasons set out in the First Schedule hereto, to **GRANT PERMISSION** for the said development in accordance with the said plans and particulars, subject to the conditions specified in the Second Schedule hereto, the reasons for the imposition of the said conditions being as set out in the said Second Schedule and the said decision is subject to the said conditions.

**FIRST SCHEDULE**

It is considered that the proposed development accords with the policies and objectives of South Dublin County Council, as set out in the South Dublin County Council Development

Plan 2022 - 2028 and subject to the condition(s) set out hereunder is thereby in accordance with the proper planning and sustainable development of the area.

## **SECOND SCHEDULE**

### **Conditions and Reasons:**

1. Development to be in accordance with submitted plans and details.  
The development shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, and as amended by Further Information received on the 17th of August 2022, save as may be required by the other conditions attached hereto.  
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. Irish Water Connection Agreement.  
Prior to the commencement of development the applicant or developer shall enter into water and/or wastewater connection agreement(s) with Irish Water.  
REASON: In the interest of public health and to ensure adequate water/wastewater facilities.
3. Landscape Plan  
The site shall be landscaped in accordance with a comprehensive scheme of landscaping which includes boundary planting; details of which shall be submitted to the Planning Authority. In addition to the Landscape Plan, the applicant should provide a fully detailed landscape plan with full works specification. The landscape proposals to be prepared by a suitably qualified landscape architect.  
The planting plan should provide the following information:
  - Location of species types, schedule of plants noting species, planting sizes and proposed numbers/densities where appropriate
  - Implementation timetablesREASON: In the interests of visual amenity and integrating the development into the landscape in accordance with relevant policies in the CDP 2022-2028.
4. Protection of Existing Trees  
To ensure the protection of trees to be retained with the site and in the adjacent grass margin, the applicant/developer shall implement all the recommendations pertaining to tree retention, tree protection and tree works, as detailed in the submitted Arboricultural Report and Tree Protection Plan prepared by The Tree File. The applicant/developer shall retain the services of an arboricultural consultant throughout the life of the site development works to ensure the protection of all trees listed for retention. The arborist shall carry out a post construction tree survey and assessment on the condition of the retained trees. A completion certificate is to be signed off by the arborist when all permitted development works are completed and in line with the recommendations of the tree report. The certificate shall be submitted to the planning authority for written agreement upon completion of the works.  
REASON: To ensure and give practical effect to the retention, protection and sustainability of trees during and after construction of the permitted development in accordance with relevant policies in the CDP 2022-2028

5. Tree Bond

A maximum of two weeks from the date of Commencement Notice within the meaning of Part II of the Building Control Regulations 1997 and prior to the commencement of any works on site, a Bond or bank draft to the value of €7,500 shall be lodged with the Planning Authority as a security for the protection of the existing street tree in the grassed margin along the northern boundary of the site during the course of the development works.

The release of the bond will be considered a minimum 12 months after the completion of all site works, at the discretion of the Landscape/Public Realm Section. This will involve assessment of whether the tree specified for retention have been preserved in their prior condition and have suffered no damage and the developer has complied with the requirements of the Planning Authority in relation to tree protection.

REASON: In the interest of the proper planning and sustainable development of the area, street-tree protection, and the maintenance of the county's green infrastructure in accordance with relevant policies in the CDP 2022-2028.

6. Ecological Impact Assessment

The mitigation measures from the submitted Ecological Impact Assessment prepared by JBA Consulting, dated 15th of August 2022, shall be implemented in full.

REASON: To ensure the protection of biodiversity.

7. Permission Required for Class 1 & 3 Exemptions.

Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001 as amended, and any statutory provision replacing or amending them, no development falling within Class 1 or Class 3 of Schedule 2, Part 1 of those Regulations and any statutory provision replacing or amending them shall take place within the curtilage of the proposed development without a prior grant of planning permission.

REASON: In order to ensure that a reasonable amount of rear garden space is retained for the benefit of the occupants of the dwelling, compliance with Development Plan policy, and in order to protect the residential amenity of the area.

8. Roads

(a) Footpath and kerb shall be dished and widened, and the dropped crossing shall be constructed to the satisfaction of South Dublin County Council and at the applicant's expense. The footpath and kerb shall be dished and widened to the full width of the proposed widened driveway entrance.

(b) Any gates shall open inwards and not out over the public domain.

REASON: In the interests of pedestrian and traffic safety.

9. Minimise Air Blown Dust.

During the construction and or demolition phase of the development, Best Practicable Means shall be employed to minimise air blown dust being emitted from the site. This shall include covering skips and slack-heaps, netting of scaffolding, daily washing down of pavements or other public areas, and any other precautions necessary to prevent dust nuisances. The applicant/developer shall comply with British Standard B.S. 5228 Noise Control on Construction and Open sites and British Standard B.S. 6187 Code of Practice for demolition.

REASON: In the interest of public health and to uphold the Council's policies set out in

the South Dublin County Council Development Plan.

#### 10. Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, no Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall be operated on the site before 7.00 hours on weekdays and 9.00 hours on Saturdays nor after 19.00 hours on weekdays and 13.00 hours on Saturdays, nor at any time on Sundays, Bank Holidays or Public Holidays.

Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

**REASON:** In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

#### 11. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €12,288.02 (Twelve thousand two hundred and eighty eight euros and two cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contributions under the Scheme shall be payable prior to commencement of development or as otherwise agreed in writing by the Council. Contributions due in respect of permission for retention will become payable immediately on issue of the final grant of permission. Contributions shall be payable at the index adjusted rate pertaining to the year in which implementation of the planning permission is commenced.

**REASON:** The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local

Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing customerservice@water.ie.

## 12. House Number.

The number of the house shall be 6A, and this number shall be placed on the completed house prior to its occupation in a manner so as to be clearly legible from the public road. In the event that this number already exists no development shall take place under this permission until the applicant, owner or developer has lodged with the Planning Authority;

(a) a street name and dwelling/unit number plan to resolve any possible conflict and,  
(b) this has been acknowledged as acceptable in writing by the Planning Authority. Following receipt of an acknowledgement of acceptability, the agreed number / name shall be placed on the completed house prior to occupation in a manner so as to be clearly legible from the public road.

The applicant is advised that the development number or name should

- (i) avoid any duplication within the county;
- (ii) reflect the local and historical context of the approved development;
- (iii) comply with Development Plan policy, the guidelines on naming and numbering of the Department of the Environment, Heritage and Local Government,
- (iv) have regard to the Guidelines issued by the Place Names Commission (An Coimisiún Logainmneacha) and;
- (v) preferably make exclusive use of the Irish language.

The applicant, owner or developer is advised to consult with Naming and Numbering section of the Planning Authority in advance of lodging the required plan.

REASON: In the interests of the proper planning and sustainable development of the area and compliance with the Council's Development Plan.

## 13. Services & Drainage

(a) Prior to the commencement of development the applicant/developer shall submit to the Planning Authority a revised Site Drainage Plan drawing showing the scale and dimensions of the setback distances of the house from the existing watermain and surface water sewer to the east of the site.

(a) The water supply and drainage infrastructure, shall comply with the requirements of Irish Water.

(b) There shall be complete separation of the foul and surface water drainage systems, both in respect of installation and use. All new precast surface water manholes shall have a minimum thickness surround of 150mm Concrete Class B.

REASON: In the interests of public health, the proper planning and sustainable development of the area and in order to ensure adequate water supply and drainage provision.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other

debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: A Roads Opening Licence must be obtained from South Dublin County Council prior to the commencement of any works in the public domain in order to comply with the Roads Act 1993, Section 13, paragraph 10. Under this Act, non-compliance constitutes an offence.

NOTE: Notwithstanding any grant of planning permission; if an applicant requires permission to access local authority land (e.g. public footpaths, public open space or roadways) in order to access utilities, or for any other reason; please apply via <https://maproadroadworkslicensing.ie/MRL/> for a licence from the Local Authority to carry out those works.

The Developer is advised that under the provisions of the Construction Products Regulation 2013 (No.305/2011-CPR) All products sourced for use in building process must conform with the statutory requirements of the CPR. For more information on these responsibilities see <http://ec.europa.eu/enterprise/sectors/construction/legislation>.

From March 1, 2014, the Building Control (Amendment) Regulations 2013 (SI 80 of 2013) come into effect. All Commencement Notices for works greater than 40sq.m are obliged to be accompanied by a number of certified undertakings as described by these Regulations.

Please note that upon receipt of this document you are obliged to remove the planning site notice in compliance with Article 20 of the Planning and Development Regulations 2001, as amended.

Please note that any valid submissions or observations received in accordance with the provisions of the Planning and Development Regulations 2001, as amended, have been considered in the determination of this application.

Signed on behalf of the South Dublin County Council.
