Dear Sir

We are in receipt of your letter of 9th September 2022 referring the above application to us.

We have examined the file and we wish to state that this application should be assessed with regard to impact on the amenity of the area and the relevant provisions of the South Dublin County Council Development Plan particular care being taken to see that the ambiance of the Protected Structure is not affected by the works.

We would comment that it is a pity that the Public open space is split by the access roadway.

Yours faithfully

Patrick Leonard
Member, Planning sub-Committee
