• The permitted crèche will increase in area from 483 square metres to 489 square metres (with increase coming from the permitted internal circulation area). • In Block C1, the proposed development will provide for the change of use of part of Unit 1.02 (permitted at 107 square metres) from non-retail use to form a void above the existing residential area below - leaving a remaining non-retail unit of 75 square metres in area, to facilitate adequate ceiling height of the residential core to the rear of the unit. The nature of future occupiers is indicated for some of the units, but this may be subject to change. The proposed development includes minor changes to landscaping and other site infrastructure works. The gross floor area of the development permitted shall not be increased.
