Dear Sir / Madam

I refer to the request for planning permission for the above development, details of which were received by the Irish Aviation Authority from the Council.

It is the observation of the Safety Regulation Division, Aerodromes that the applicant should be requested to engage a specialist consultant to undertake a Glint and Glare study to carry out an analysis of any potential effects on aviation. This Glint and Glare study should be submitted to the Property Management Branch of the Defence Forces for their review and comment prior to the finalisation of the application."

Yours sincerely
