Dear Sir / Madam

I refer to the request for planning permission for the above development, details of which were received by the Irish Aviation Authority from the Council.

It is the observation of the Safety Regulation Division, Aerodromes that the completed Glint and Glare study should be submitted to the Property Management Branch of the Department of Defence for their review and comment. Subject to no adverse effects to the safety of aviation activities at or in the vicinity of Casement Aerodrome being identified as a result of this review, IAA SRD Aerodromes has no observations or requirements to submit in relation to the proposed development.

Yours sincerely
