The PRA believe that this application (SD22A/0347) is the gateway to multiple applications as is the intention of the applicant and is similar to the SHD development in another guise. The SHD planning decision process is the subject of a Judicial Review. Therefore, we believe the Judicial Review should be completed before any consideration is given to further planning applications for the land concerned. The outcome of the Judicial Review could have important implications for subsequent planning applications for the entire site.

This submission is made by the PRA on behalf of the Residents that agreed with the above and whose names and addresses are attached.
