**Subject:** RE: Bartra Planning Application for Cookstown Industrial Estate

Warren

Many thanks for reverting on this.

I further acknowledge the requirement in relation to the construction stage and tower cranes and this is something we will be engaging on with yourselves irrespective whether it is conditioned as part of the planning or not.

I am looking forward to catching up with your colleagues in the next round of the IAA mapping workshops.

Regards

request confirmation from yourselves to satisfy the Planning Authorities.

I have attached two drawings, one being a site location map and the other a site plan showing the height of the building AGL.

The request is also being submitted through the property management branch of the Defence forces but I was hoping to expedite this request somewhat.

Would it be possible to have a call to discuss?

Kind Regards

**Ian Fennell**
