INVALID PLANNING APPLICATION

An application for Permission for the development described above was received on 23-Sep-2022.

However, the application did not comply with Part IV of the Planning and Development Regulations, 2001(as amended) for the following reason(s):-

1. Article 23(1)(d):- Elevations of the proposed structure do not show the main features of any buildings which would be contiguous to the proposed structure whether within the site or in the vicinity, at a scale not less than 1:200 and where the development would involve work to a protected structure or proposed protected structure, shall show the main features of any buildings within the curtilage of the structure which would be materially affected by the proposed development.
All elevations(not just front) must show main features of contiguous buildings
The elevations included are labelled contiguous however they do not include contiguous features.
2. Article 23(1)(e):- The plans relating to reconstruction, alteration or extension of structure are not marked or coloured to distinguish between the existing structure and the works proposed.
Proposed works to be coloured or hatched to distinguish between old and new.
3. Article 23(1)(f):- The plans, drawings of floor plans, elevations, sections do not indicate in figures the principal dimensions, including overall height of any proposed structures.
Dimension are illegible on section and proposed ground floor plan.

Accordingly, I recommend that:-
