PLANNING

DÚN LAOGHAIRE-RATHDOWN COUNTY COUNCIL Further information relating to Reg. Ref. DZ21A/1085. Applicant: LSREF V Eden M4 Limited. The development applied for consisted of permission for the development on lands in the townland of Laughanstown, Dublin 18. (Lands within "Development Area 7 - Maeneburry" including part of the Res 2 plot known as "M4" located west and south of Castle Street, south of Lehaunstown Lane, north of Bishop Street and east of the proposed Beckett Road). The development applied for consisted of a residential development comprising 65no. dwellings and associated site and development works with a total gross floor area (GFA) of 7,707sqm. The residential accommodation comprises 43no. 3 bed triplex units and 22no. 3 bed duplex units in 5no. 3 storey blocks. Car parking is provided at grade for 92no. cars. Access is provided from Castle Street (permitted and constructed under Reg. Ref. DZ15A/0758) which forms the northeastern boundary of the plot and provision is made for future vehicular connection to Res 2 lands to the south and west and for service access to the ESB Substation to the west. Provision is made for a pedestrian / cycle link through the site from Lehaunstown Lane to Bishop Street. Permission is also sought for all hard and soft landscaping (including a buffer to Lehaunstown Lane), public lighting, boundary treatments, surface water attenuation, bin and bicycle stores and all associated site and development works. Significant Further Information / Revised Plans have been furnished to the Planning Authority and are available for inspection or purchase at the offices of the Planning Authority at a fee not exceeding the reasonable cost of making a copy, during its public opening hours, and a submission or observation in relation to the Further Information may be made the Authority in writing and on payment of the prescribed fee (€20.00) within 2 weeks of receipt of the newspaper notices and site notice (within 5 weeks in the case of an application accompanied by an E.L.A.R) by the Authority and no further fee is required where a valid submission or observation has already been made in respect of this planning application. The development now being applied for will consist of 66no. duplex units comprising 4no. 1 bed units and 62no. 3 bed units with a total GFA of 7,514sqm. Car parking and vehicular, pedestrian and cycle access remain as described above. Permission is also sought for all hard and soft landscaping (including a buffer to Lehaunstown Lane), public lighting, boundary treatments, surface water attenuation, bin and bicycle stores and all associated site and development works as revised within the further information response.

Kildare County Council, We, Emma and Gary Cross, intend to apply for permission for a domestic ground floor extension to the front and side of existing dwelling, and all associated site works, at Newtown, Rathangan, Co. Kildare, R51 YV18. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the planning authority during its public opening hours and that a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.

PLANNING

Planning and Development Act 2000 (as Amended) Notice of Direct Planning Application to An Bord Pleanála in Respect of a Strategic Infrastructure Development (A proposed Electricity Transmission Development) County Dublin (South Dublin County Council) in accordance with Section 182A of the Planning and Development Act 2000 (as amended), EdgeConnex Ireland Limited, gives notice of its intention to make an application for permission/approval to An Bord Pleanála in relation to the proposed development described below. The proposed development primarily comprises the provision of underground 110kV transmission line connections between the permitted Kishoge 110kV Gas Insulated Switchgear (GIS) substation on a site within the townland of Ballymakilly, west of Newcastle Road (R120), Lucan, Co. Dublin, and the permitted Augierstown - Castlebaggot underground 110kV transmission line located at Grange Castle South Business Park, Baldonnell, Dublin 22. The proposed transmission lines provide for a loop-in connection to the permitted Augierstown - Castlebaggot underground transmission line along with associated and ancillary works. The proposed development is located within the townlands of Ballymakilly, Clutterland, Grange, Ballybane, Kilmacallagh, Milltown, and Augierstown and Ballybane. The application site has an area of c. 3.78 hectares. The proposed development is described as follows: The proposed 110kV underground transmission line connections will originate from the Kishoge 110kV GIS substation. The substation was permitted under Reg. Ref.: SD19A0042 and ABP Ref.: 205948-19, as amended under Reg. Ref.: SD22A0105. The proposed 110kV underground transmission line connections extend northwards from the Kishoge 110kV substation, before proceeding to the east and then to the south, along the periphery of the lands in the ownership of the applicant, and continuing alongside the R120 before continuing to the south and crossing the R134 New Nangor Road. The route then proceeds further southward and to the southeast to cross the R120, continues to the south and then to the east (adjacent to the Old Nangor Road), crossing the Grifteen River and proceeding eastwards and then south before crossing the Baldonnell Road and proceeding eastward within lands to the south of the Grange Castle South Business Park, access road, before reaching and connecting to the Augierstown - Castlebaggot underground transmission line. The Kishoge to Augierstown transmission line circuit will include 4 no. joint bays, while the Kishoge to Castlebaggot transmission line circuit will include 5 no. joint bays. The proposed 110kV underground transmission line connections will cover a distance of c. 2.2 kilometres. The development includes enabling works, services diversions, joint bays, connections to the Kishoge substation and the Augierstown - Castlebaggot transmission line, provision of a medium voltage electricity connection to serve the Kishoge substation from an existing ESB substation to the east of the R120, landscaping, services, all associated construction works, and all ancillary works. An Environmental Impact Assessment Report has been prepared in respect of this application. The planning application and the Environmental Impact Assessment Report may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such copy) during public opening hours for a period of seven weeks commencing on the 15th of September 2022 at the following locations: • The Offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1. • South Dublin County Council, County Hall, Tallaght, Dublin 24. The application may also be viewed/downloaded on the following website: www.kishoged.ie. Submissions or observations may be made only to An Bord Pleanála ("the Board") 64 Marlborough Street, Dublin 1 during the above-mentioned period of seven weeks relating to - (i) the implications of the proposed development for proper planning and sustainable development, and (ii) the likely effects on the environment of the proposed development, and (iii) the likely significant effects of the proposed development on a European site, if carried out. Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Board not later than 5.30 p.m. on the 3rd of November 2022. Such submissions/observations must also include the following information: • The name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent. • The subject matter of the submission or observation, and • The reasons, considerations and arguments on which the submission or observation is based in full. (Article 217 of the Planning & Development Regulations refers). Any submissions or observations which do not comply with the above requirements cannot be considered by the Board. The Board may at its absolute discretion hold an oral hearing on the application. (For further details see "A Guide to Public Participation in Strategic Infrastructure Development" on the Board's website www.pleanala.ie). The Board may in respect of an application for permission/approval decide to - (a) (i) grant the permission/approval, or (ii) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or (iii) grant permission/approval in respect of part of the proposed development (with or without specified modifications of it of the foregoing kind), and any of the above decisions may be subject to or without conditions, or (b) refuse to grant the permission/approval. Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Tel. 01- 8588100). A person may question the validity of any such decision by the Board by way of an application for judicial review, under Order 84 of the Rules of the Superior Courts (S.I. No.15 of 1986, as amended), in accordance with section 50 of the Planning and Development Act, 2000, as amended. Practical information on the review mechanism can be accessed under the heading Information on cases / Weekly Lists - Judicial review of planning decisions on the Board's website www.pleanala.ie or on the Citizens Information Service website www.citizensinformation.ie. Signed: John Spain Associates (John Spain Associates, Agents) Date of publication: 7th September 2022.

Meath County Council, I, Michael Ryan, intend to apply for Permission for development at a greenfield site of 1.26ha on lands to the north of the roundabout on the R148/Dublin Road, Johnstown, Enfield, Co. Meath. The development will consist of: The construction of a single storey, supermarket with ancillary off-licence sales area. Provision of surface level car parking spaces, including electrical vehicle (EV) charging spaces and pre-wiring other spaces to accommodate future EV parking; cycle stands; trolley bay; taxi drop off area; hard and soft landscaping; ESB substation building; site lighting; external mechanical plant area; roof mounted photovoltaic panels; all advertising signage. Construction of an extension to the road which is partially completed along the west boundary of the site. Vehicular access to the supermarket will be from this extended road; on site drainage infrastructure including attenuation; connection to existing watermain; surface water drainage; extension to the proposed foul network and connection to the pump station (permitted under ABP-308357-20). Underground firefighting water tanks. All associated site development works. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours, and a submission or observation in relation to the application may be made in writing to the Planning Authority on payment of the prescribed fee (€20.00) within the period of 5 weeks beginning on the date of receipt by the Planning Authority of the application.

DUN LAOGHAIRE-RATHDOWN COUNTY COUNCIL: We, Dr. Joseph Marry & Dr. Maria Bohane intend to apply for permission for new external signage at Unit 3, Medical Centre, Block A, Shankill Shopping Centre, Corbawn Lane, Shankill, Dublin 18. The signage will consist of new halo illuminated signage to the south and east elevations at first floor level. The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy at the offices of the Planning Authority, County Hall, Dun Laoghaire during its public opening hours. A submission/observation may be made on payment of €20 within a period of 5 weeks from the date the application is received by the Planning Authority.

KILDARE COUNTY COUNCIL: Coolcarrigan Farm limited intend to apply for a 10 year permission for the erection and operation of a solar photovoltaic energy development at Coolcarrigan, Timahoe West, Co. Kildare. The proposed development will consist of fixed solar panels and battery storage over an area of c. 114ha. The development will include solar panels of max height of 3meters, 1No. Battery Storage Compound and Battery storage units, customer switchgear container, 1 No. 110kV grid connected single storey substation, 1 No. single storey customer substation and all associated electrical plant, electrical transformer and inverter units, cooling equipment, underground cabling and ducting, boundary fencing, security entrance gates, CCTV, upgrading of existing access road and new internal access roads and all associated ancillary activities. The proposed development will have a 35 year operational life from the date of commissioning. The planning application may be inspected, or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application. Agent Contact Details: Grainne Blount, PNG Energy Limited, Glen Erin, Caulstown, Dunboyne, Co. Meath
