**NOTIFICATION TO GRANT PERMISSION
PLANNING & DEVELOPMENT ACT, 2000 (as amended) AND PLANNING
REGULATIONS THEREUNDER**

Final Grant Order No.:	0309	Date of Final Grant:	11-Mar-2022
Decision Order No.:	0088	Date of Decision:	19-Jan-2022
Register Reference:	SD21A/0310	Date:	16-Nov-2021

Applicant: Ventside Ltd.

Development: Change of use of existing detached warehouse unit to vehicle service workshop including new internal works to form new staff canteen and toilet accommodation; new fire door exit doors; roller shutter door to existing elevations and attached illuminated building signage.

Location: 483, Ballymount Cottages, Turnpike Road, Ballymount, Dublin 12

Time extension(s) up to and including:

Additional Information Requested/Received: /

A Permission has been granted for the development described above, subject to the following conditions.

Conditions and Reasons:

1. Development to be in accordance with submitted plans and details.
The development shall be carried out and completed in its entirety in accordance with the plans, particulars and specifications lodged with the application, save as may be required by the other conditions attached hereto.
REASON: To ensure that the development shall be in accordance with the permission, and that effective control be maintained.
2. External Finishes.
All external finishes shall harmonise in colour and texture with the existing warehouse building on the subject site.
REASON: In the interest of visual amenity.
3. Roads.
 - (i) The vehicular access point shall be a maximum width of 3.5 meters.
 - (ii) Any gates shall open inwards and not outwards over the public domain.REASON: In the interests of road safety and proper planning and sustainable development.

4. Landscape and Planting Plan

(A) Prior to the commencement of development, a fully detailed landscape plan, shall be submitted for the written agreement of the Planning Authority. The Landscape Plan shall include:

(i) A full works specification, that accords with the specifications and requirements of the Planning Authority.

(ii) Hard and soft landscaping including levels, sections and elevations.

(B) Prior to the commencement of development, a fully detailed Planting Plan for boundary planting/hedgerows for the development shall be submitted for the written agreement of the Planning Authority. The boundary planting shall:

(i) Provide screening to and from the surrounding area.

(ii) Consist of semi mature tree and hedge species and should comprise predominantly native species.

REASON: In the interests of visual amenity and proper planning and sustainable development.

5. Drainage and Water Services

(i) All works shall comply with the Building Regulations -Technical guidance document- Part H Drainage and Wastewater disposal.

(ii) There shall be complete separation of the foul and surface water drainage for the proposed development.

(iii) All works for this development shall comply with the requirements of the Greater Dublin Regional Code of Practice for Drainage Works.

(iv) All works shall comply with the Irish Water Standard Details & Code of Practice for Water Infrastructure.

(v) All works shall comply with the Irish Water Standard Details & Code of Practice for Wastewater Infrastructure.

REASON: In the interests of adequate water supply and wastewater infrastructure.

6. Signage.

The business sign shall be either down or back lit only and shall not be internally illuminated.

REASON: In the interests of visual amenity and proper planning and sustainable development.

7. Construction Noise and Hours.

To control, limit and prevent the generation of unacceptable levels of Environmental Noise Pollution from occurring during construction activity, no Equipment or Machinery (to include pneumatic drills, on-site construction vehicles, generators, etc.) that could give rise to unacceptable levels of noise pollution as set out generally for evening and night-time in S.I. No. 140/2006 - Environmental Noise Regulations 2006 shall be operated on the site before 7.00 hours on weekdays and 9.00 hours on Saturdays nor after 19.00 hours on weekdays and 13.00 hours on Saturdays, nor at any time on Sundays, Bank Holidays or Public Holidays. Any construction work outside these hours that could give rise to unacceptable levels of noise pollution shall only be permitted following a written request to the Planning Authority and the subsequent receipt of the written consent of the Planning Authority, having regard to the reasonable justification and circumstances and a commitment to minimise as far as practicable any unacceptable noise outside the hours stated above. In this respect, the applicant or developer shall also comply with BS 5228:2009 Noise and Vibration Control on Construction and Open Sites, and have regard to the World Health Organisation (WHO) – Guidelines for

Community Noise (1999).

The applicant or developer shall also endeavour to engage in local consultation in respect of any noise sensitive location within 30 metres of the development as approved prior to construction activity commencing on site. Such noise sensitive locations should be provided with the following:

- Schedule of works to include approximate timeframes
- Name and contact details of contractor responsible for managing noise complaints
- Hours of operation- including any scheduled times for the use of equipment likely to be the source of significant noise.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, the proper planning and sustainable development of the area and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

8. Noise Tones During Evening and Night.

Clearly audible and impulsive tones at noise sensitive locations during evening and night time as determined in S.I. No. 140/2006 - Environmental Noise Regulations 2006 (currently 19:00 – 07:00). shall be avoided irrespective of the noise level.

REASON: In the interest of public health by the prevention of unacceptable levels of noise pollution which could interfere with normal sleep and rest patterns and/or when people could reasonably expect a level of quietness, and to uphold the Council's amenity policies set out in the South Dublin County Council Development Plan.

9. Financial Contribution.

The developer shall pay to the Planning Authority a financial contribution of €32,393.28 (thirty two thousand three hundred and ninety three euros and twenty eight cents), in respect of public infrastructure and facilities benefiting development within the area of the Planning Authority, that is provided, or intended to be provided by or on behalf of the authority, in accordance with the terms of the Development Contribution Scheme 2021 - 2025, made under Section 48 of the Planning and Development Acts 2000-2011 (as amended).

The contribution shall be paid prior to commencement of development, or in such phased payments as the Planning Authority may facilitate. Contributions shall be payable at the rate pertaining to the year in which implementation of the planning permission is commenced as outlined in the South Dublin County Council Development Contribution Scheme 2021 - 2025.

REASON: The provision of such facilities will facilitate the proposed development. It is considered reasonable that the payment of a contribution be required, in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority and that is provided, or that is intended will be provided, by or on behalf of the Local Authority.

NOTE RE: CONDITION - Please note that with effect from 1st January 2014, Irish Water is now the statutory body responsible for water services. Further details/clarification can be obtained from Irish Water at Tel. 01 6021000 or by emailing customerservice@water.ie.

NOTE: The applicant is advised that under the provisions of Section 34 (13) of the Planning and Development Act 2000 (as amended) a person shall not be entitled solely by reason of a permission to carry out any development.

NOTE: The applicant is advised that in the event of encroachment or oversailing of adjoining property, the consent of the adjoining property owner is required.

NOTE: The requirements of the HSE Environmental Health Officer shall be ascertained prior to the commencement of development in the interest of public health.

NOTE: The applicant or developer should ensure that all necessary measures shall be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works and to ensure that any such instances arising are remedied immediately.

NOTE: Waste, arising from the site, must be kept to a minimum, segregated where appropriate, and disposed in accordance with the Waste Management Regulations 2007, as amended. Transport of such waste, must be by an authorised waste permit holder. Waste disposal records must be maintained and made available, for inspection by Authorised Persons appointed under the Waste Management Act 1996, as amended. A Waste Transfer Form shall accompany the transportation of all hazardous waste arising from the construction works.

NOTE: The applicant is advised that where industrial effluent is produced or stored a licence may be required under the provisions of the Waste Management Act.

NOTE: Notwithstanding any grant of planning permission; if an applicant requires permission to access local authority land (e.g. public footpaths, public open space or roadways) in order to access utilities, or for any other reason; please apply via <https://maproadroadworkslicensing.ie/MRL/> for a licence from the Local Authority to carry out those works.

- (1) All buildings must be designed and constructed in accordance with the Building Regulations 1997.
- (2) Building Control Regulations require a Commencement Notice. Please log onto www.localgov.ie and click on BCMS link.
- (3) A Fire Safety Certificate must be obtained from the Building Control Authority, where applicable.
- (4) Free Standing Walls must be designed and constructed in accordance with IS 325: Code of Practice for use of Masonry Part 1: Structural use of reinforced Masonry. The Owner must also ensure that the construction of all walls is supervised by a competent person.

Signed on behalf of South Dublin County Council.
