

11th September 2022,

Attention: SDCC

To whom it may concern,

Please refer to supporting documentation enclosed to address the below items.

(I) the development to which the permission relates was commenced before the expiration of the appropriate period sought to be extended,

(II) substantial works were carried out pursuant to the permission during that period, and

(III) the development will be completed within a reasonable time,
The Planning Authority notes that no supplementary or supporting documentation was

Yours sincerely,

Seán Kelly

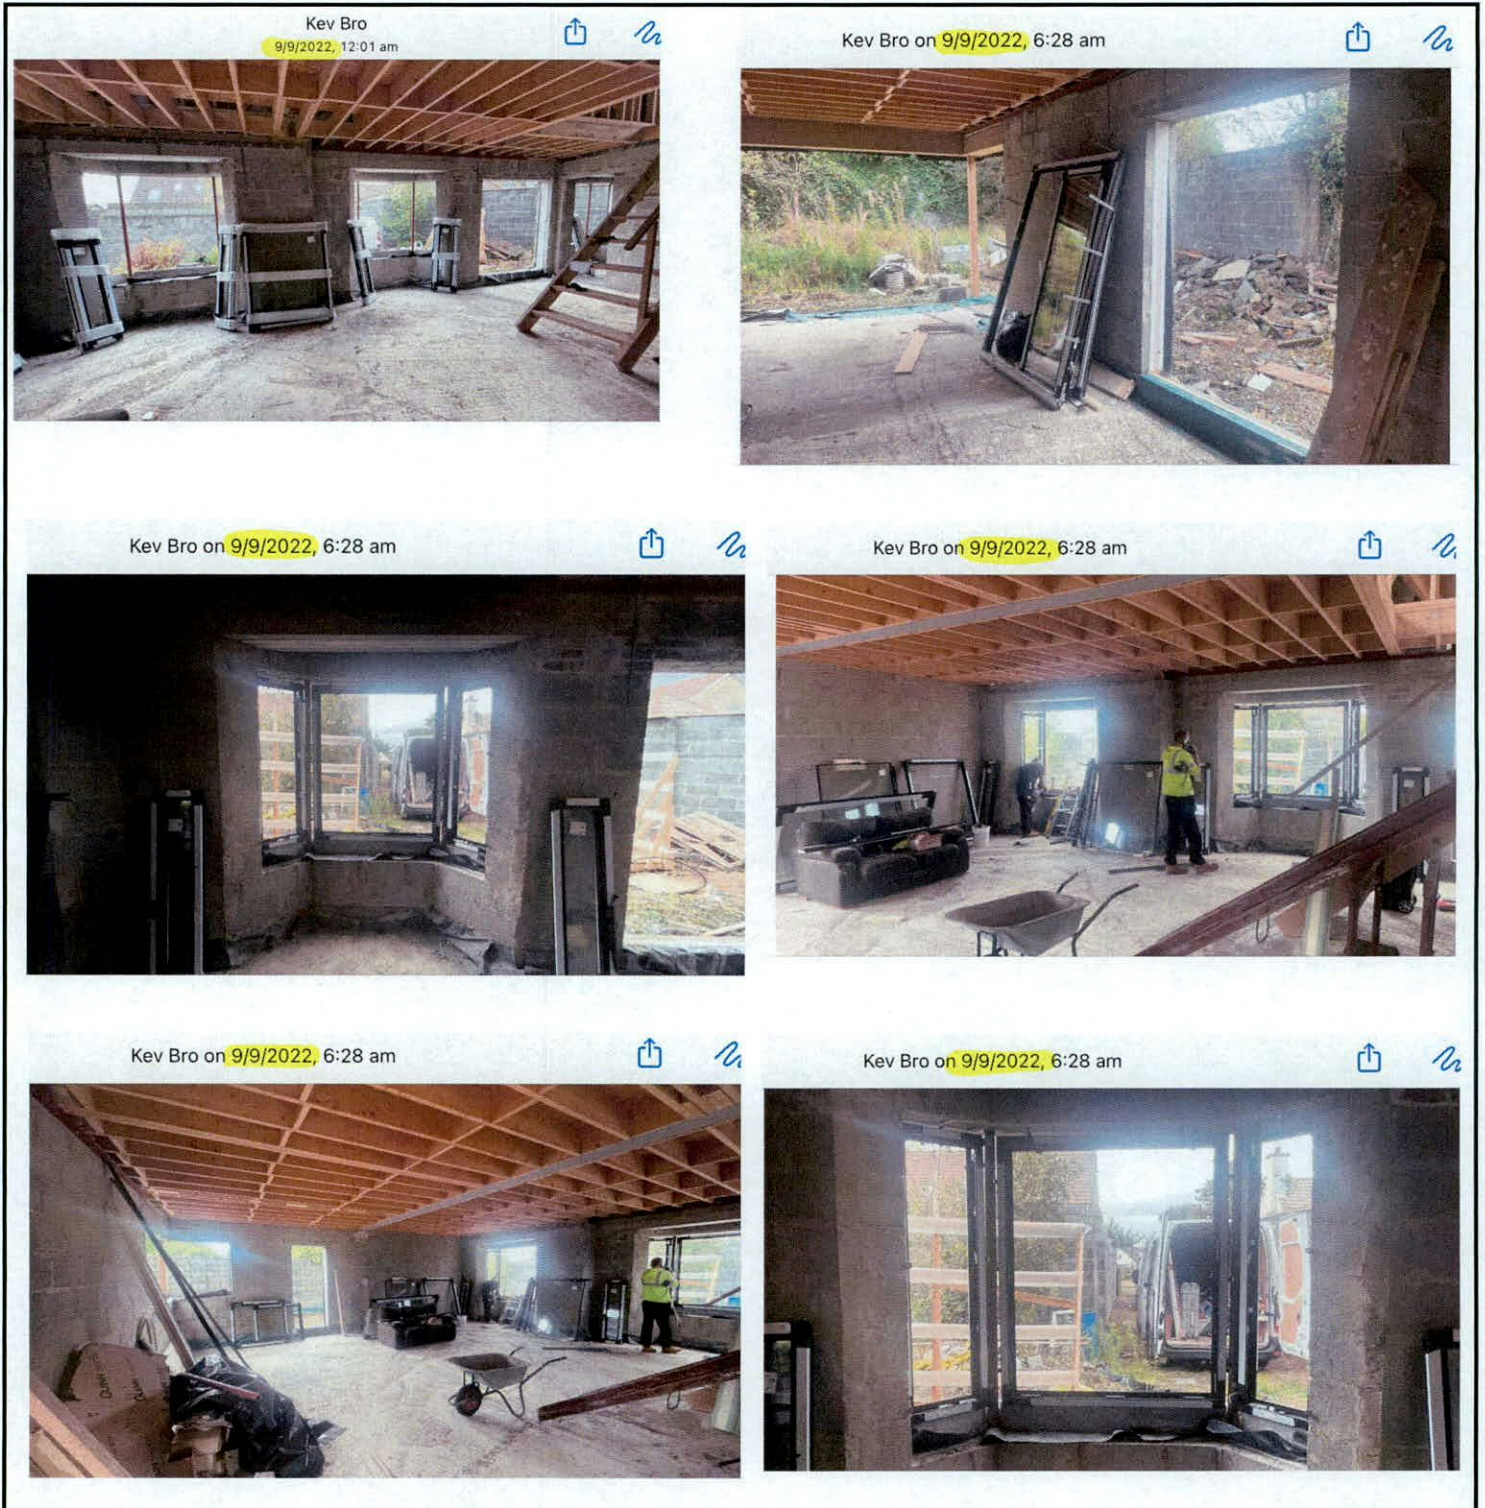

(I) the development to which the permission relates was commenced before the expiration of the appropriate period sought to be extended.

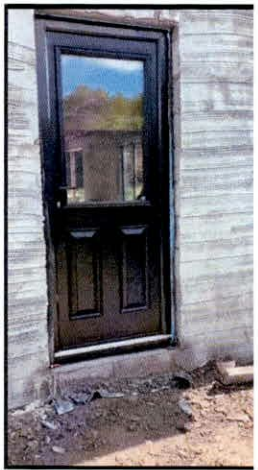

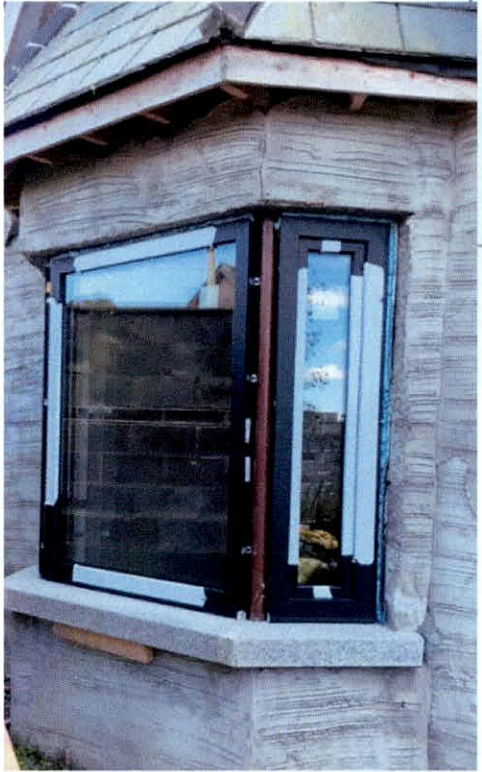

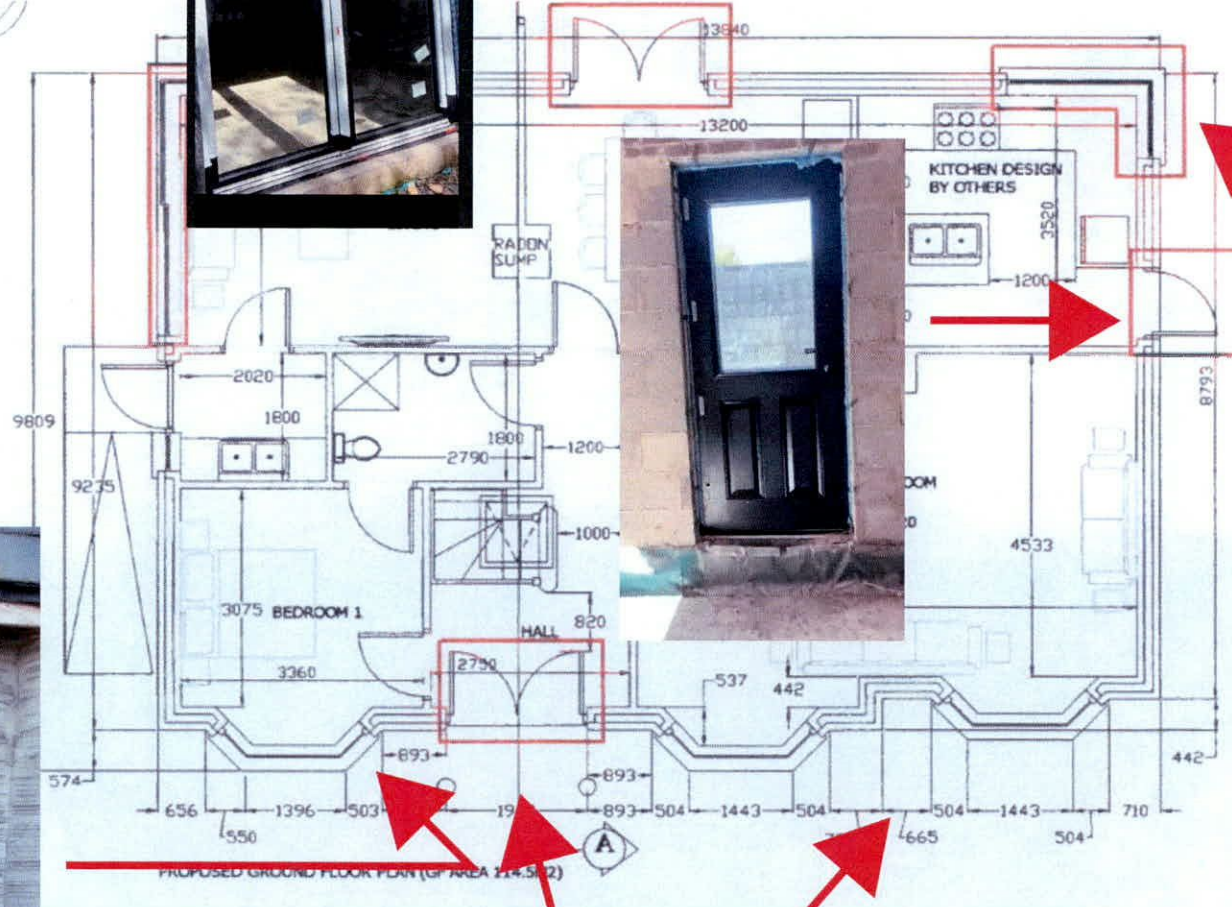

Please see photos below with time stamp showing construction commenced prior to the expiration date of the planning.

(II) substantial works were carried out pursuant to the permission during that period, and

Please see photos below with time stamp showing substantial works were completed.

**(III) the development will be completed within a reasonable time,
The Planning Authority notes that no supplementary or supporting
documentation was.**

As per photos above, the building structure is complete with windows and doors now installed. External render and gutters, soffit and fascia are scheduled to be complete by end of Dec 2022.

The building will be gradually completed from this date to the sought extension date of 31.12.2024.
