Dear Sir

We are in receipt of your letter of 29<sup>th</sup> September 2022 referring the above application to us. We would point out that the details of this application only became available on the Council's website on 11<sup>th</sup> October.

While we are anxious that some works would proceed as soon as possible on this site in order that the existing Protected Structures do not deteriorate further, we must object to the proposed 2 extra floors on top of Building C. We note that though these floors are stepped back at the front and ends they are still a lot higher than Buildings A and D and completely dominate all the Protected Buildings on site.

Yours faithfully

Patrick Leonard  
Member, Planning sub-Committee
