A section of the East - West Avenue Road (referred to as Airlie Park Road) along the northern boundary of the site is included in the current application and 2 access points are proposed to this road; development is accessed from roads already approved or under construction. The road to the south (referred to as Adamstown Way) was permitted under SDZ06A/0005 and bounds the site to the south and 1 access point is proposed to this road. 4 access points are proposed to the east and west (2 each). The Celbridge Link Road permitted under SDZ17A/0009 bounds the site to the west and the north-south road to the eastern boundary (referred to as Linear Park Road) was permitted under SDZ20A/0017. 17 spaces were permitted under SDZ17A/0009 providing a total of 378 spaces for this development.

Condition 18; Archaeological Monitoring.

- (a) The applicant/developer shall employ a qualified Archaeologist, licensed to carry out Archaeological Monitoring of all sub-surface works carried out within the proposed development site. This will include the archaeological monitoring of the removal of topsoil, the excavation of trenches for foundations, services, access roadway, etc. associated with the proposed development.
- (i) Any Test trenches will be excavated at locations chosen by the archaeologist (licensed under the National Monuments Acts 1930-2004), having consulted the site drawings.
- (ii) Having completed the work, the archaeologist shall submit a written report to the Planning Authority and to the Department of Culture, Heritage and the Gaeltacht.

Where archaeological material/features are shown to be present, preservation in situ, preservation by record (excavation) or monitoring may be required and the Department of Culture, Heritage and the Gaeltacht will advise the Applicant/Developer with regard to these matters.

(iii) No site preparation or construction work shall be carried out until after the archaeologist's report has been submitted and permission to proceed has been received in writing from the Planning Authority in consultation with the Department of Culture, Heritage and the Gaeltacht.

REASON: To facilitate the recording and protection of any items of archaeological significance that the site may possess
