

South Dublin County Council

October 2022
Dear Sir/Madam

Please find attached planning application for works at 58 Monastery Drive, Clondalkin, Dublin 22 for Proposed roof light on front slope of roof at first floor level.

The proposed roof light is to bring light & ventilation to first floor landing & to bring light down onto internal hall way at ground floor level. The existing landing & down stairs hall way currently have no source of natural light & the fitting of the roof light will create a light filled landing & bring much need brightness to the down stairs hall which access's the stairs to first floor. The proposed will have a positive effect on the well being of all members of the family.

Please if you have any questions or queries please do not hesitate to call myself Tara Ward on 086 6007353

Regards

Niall Duggan
